10% Syrah

Alcohol
14%

Total Acidity
3,68 g/L (H2SO4)

pH
3,36

Residual Sugar
2,98 g/L

TASTING NOTES

A very delicate red wine that comes from the best Cabernet Sauvignon, Merlot, and Syrah barrels selected from the 2014 vintage. Is a very complex and fine wine with a nice ruby red colour with violet shades. The nose is delicate with notes of blackcurrants, dry plums, and figs framed with notes of oak. The palate is intense, soft, round, and savory with mature tannins that give a long aftertaste.

High potential of bottle aging.

VINEYARD

Located within the Central Valley are the upper reaches of the Cachapoal Valley, one of Chile's historic wine growing valleys. In this valley lies the town of Rengo that is protected by the mountain range that creates an area cooler and more arid than the rest of the valley.

The Torreón de Paredes vineyard built on alluvial soil, is situated in the heart of this and is flanked by the mighty Andes, which not only provides a stunning backdrop to our winery, but also creates the dramatic contrasts between day and night temperatures which result in richer, juicier grapes.
