12,5%

Total Acidity
4,37 g/L (H₂SO₄)

pH
3,23

Residual Sugar
92,59 g/L

TASTING NOTES

Golden yellow in colour with an elegant bouquet of candied orange notes and honey. The palate is unctuous, intense with a long finish. A delicate acidity combined with a elegant sweetness lends to this wine a excellent structure and a great potential for bottle ageing.

Ideal to serve at 8-9°C with strong cheese, foie gras or desserts.

VINEYARD

Located within the Central Valley are the upper reaches of the Cachapoal Valley, one of Chile's historic win growing valleys. In this valley lies the town of Rengo that is protected by the mountain range that creates an area cooler and more arid than the rest of the valley.

The Torreón de Paredes vineyard built on alluvial soil, is situated in the heart of this and is flanked by the mighty Andes, which not only provides a stunning backdrop to our winery, but also creates the dramatic contrasts between day and night temperatures which result in richer, juicier grapes.
