TASTING NOTES

Compelling deep pink in colour with a nose recalling intense small red fruits as raspberries, wild strawberries and red currants. The round and smooth structure of the wine offers a nice volume in the palate with a pleasant and extended finish.

Ideal to serve at 8 - 10 °C with Chinese food, sweet and sour dishes or as an aperitif.

VINEYARD

Located within the Central Valley are the upper reaches of the Cachapoal Valley, one of Chile's historic wine growing valleys. In this valley lies the town of Rengo that is protected by the mountain range that creates an area cooler and more arid than the rest of the valley.

The Torreón de Paredes vineyard built on alluvial soil, is situated in the heart of this and is flanked by the mighty Andes, which not only provides a stunning backdrop to our winery, but also creates the dramatic contrasts between day and night temperatures which result in richer, juicier grapes.
