TASTING NOTES

Our Cabernet Sauvignon Andes Collection, has deep and bright red colour with violet hues.

The nose shows aromas of black fruit, ripe cherries and blackcurrants. On the palate, the wine is robust with notes of dry plums, tobacco and chocolate. The soft and matured tannins provide a long and pleasant finish.

Ideal to serve at 16-18°C with grilled red meat, lamb, meat fondue or cheese.

VINEYARD

Located within the Central Valley are the upper reaches of the Cachapoal Valley, one of Chile's historic wine growing valleys. In this valley lies the town of Rengo that is protected by the mountain range that creates an area cooler and more arid than the rest of the valley.

The Torreón de Paredes vineyard built on alluvial soil, is situated in the heart of this and is flanked by the mighty Andes, which not only provides a stunning backdrop to our winery, but also creates the dramatic contrasts between day and night temperatures which result in richer, juicier grapes.
