3,54

Residual Sugar
2,8 g/L

TASTING NOTES

Don Amado 2019 is a delicate blend of 50% Cabernet Sauvignon, 40% Carmenere and 10% Syrah.

Torreón de Paredes winemaking team introduces the Carmenere variety for the first time in this wine given the excellent results of this year's 2019 harvest. It is a wine of intense ruby red color, on the nose it shows notes of ripe red fruits and complexity given its aging in French oak barrels, on the palate it is a generous wine, with firm tannins, balanced and a delicate aftertaste.

VINEYARD

Located within the Central Valley are the upper reaches of the Cachapoal Valley, one of Chile's historic wine growing valleys. In this valley lies the town of Rengo that is protected by the mountain range that creates an area cooler and more arid than the rest of the valley.

The Torreón de Paredes vineyard built on alluvial soil, is situated in the heart of this and is flanked by the mighty Andes, which not only provides a stunning backdrop to our winery, but also creates the dramatic contrasts between day and night temperatures which result in richer, juicier grapes.
